Live For The Moment

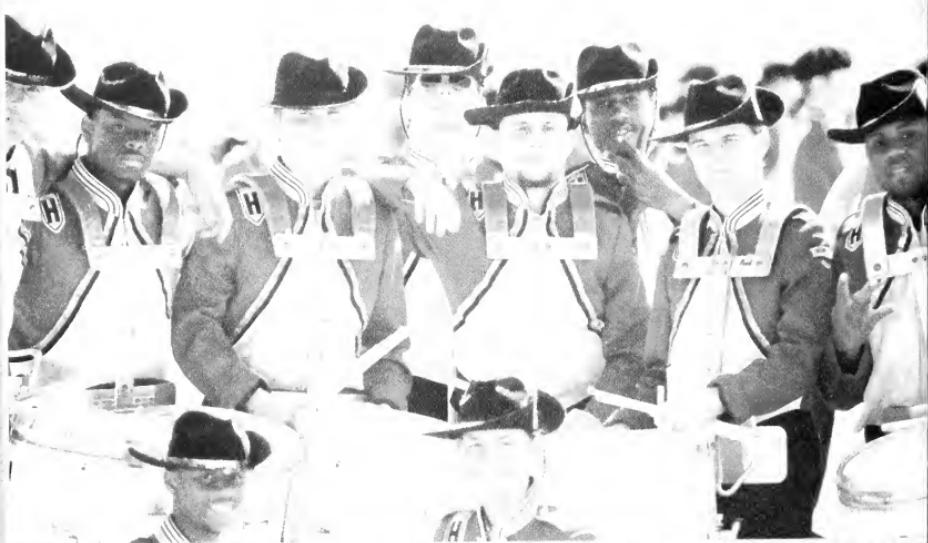

In the beginning of the year, we met a lot of new people. It was through these people at Hinds that we acquired many lasting friendships that never will be forgotten. "Live for the Moment"

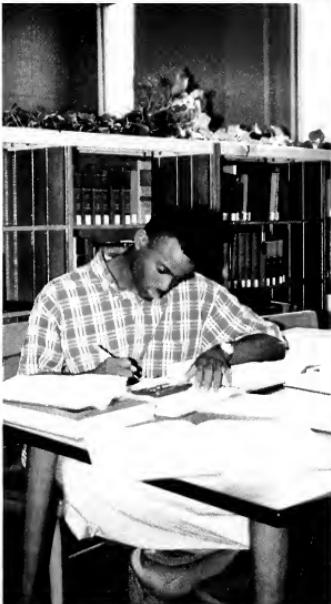

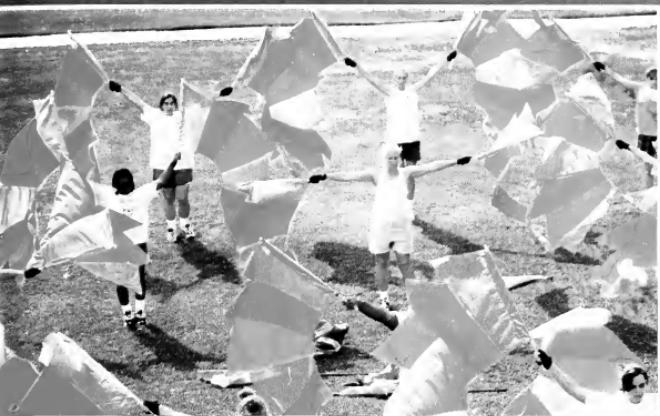

This year began with ideas, hopes, and dreams made by people. It finished with a fulfillment in one way or another, of each of those ideas, hopes or dreams. We were the ones that made those dreams reality. "Live for the Moment."

It was a time for relaxing and having fun and a time for the seriousness of college and its meaning. It was a year for you and those around to have an opportunity to make dreams come true. "Live for the Moment."

It was a year of wishing, learning, loving, laughing, crying, and celebrating. A year of accomplishments, disappointments, surprises and adventures. But, this year, no matter how much it may seem like other years at Hinds, it is different because it was our year. "Live for the Moment."

# NJCAA "Player of the Year"

Terrance Williams

Terrance Williams, running back for the Hinds Community College Eagles, from Clearwater, Florida, has been named by the National Junior College Athletic Association as the 1998 Player of the Year. This marks the ninth year for the award to be presented and Williams received the award at a home basketball game at Hinds. He was selected from a field of 12 finalists for the award.

Williams is a 5'9" 190 pound running back for the Hinds Eagles and is a sophomore. During the 1997 season Hinds finished 10-2 and ranked number 5 in the final NJCAA poll. Williams was also named Most Valuable Player when the Eagles played in the Sea Island Golden Isles Bowl in Brunswick, Georgia.

During the 1998 season Hinds had a 6-4 record and Williams rushed for 1436 yards on 225 carries, averaging 6.38 yards per carry. Additionally, Williams scored 14 touchdowns in the 1998 season and had five games over 200 yards. His best game of the season was against the Holmes Bulldogs when he rushed for 341 yards setting a new school record and tied the school record with 5 touchdowns in the same game.

During his two years at Hinds, Williams set a new school record with a total of 3,050 yards for the two seasons and had a total of 32 touchdowns.

Williams was first team NJCAA All-American in 1998 and was the Mississippi Conference MVP and was a JC Grid-Wire first team selection.

# Locations

## Nursing/Allied Health Center

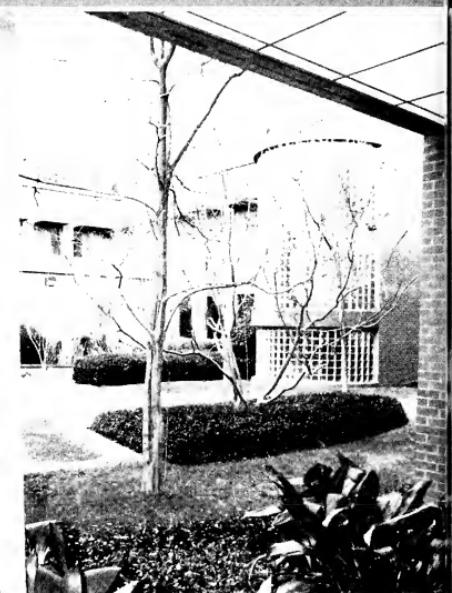

If a health center appeals to you, visit the Nursing/Allied Health Center located in the City of Jackson. Programs are offered in associate degree nursing (two-year registered nurse program), emergency medical technology, medical laboratory, technology, dental assisting technology, respiratory care technology, surgical technology, medical record technology, physical therapist assistant, and practical nursing.

Each curriculum combines classroom theory with "hands-on" clinical experience in local hospitals and health care facilities. Moreover, short term classes such as nursing assistant, unit service clerk, phlebotomy, and home health aide are available.

Also, academic transfer courses are scheduled day and evening at this Center located next to Methodist Medical center.

# Rankin Campus

Comprehensive degrees and certificates in academics and technical areas can be pursued at the Rankin Campus, located on Highway 80 E. in Pearl. Offering a four-day school week, this campus continues to be one of the College's fastest growing facilities. It is the second largest location in the Hinds District, serving over 2,700 students.

This campus serves over 500 secondary students from nine area high schools in a range of vocational programs. In addition, the Associated Building Contractors (ABC) assist in operating a comprehensive apprenticeship program during evening hours.

# Jackson Academic Technical Center

The Jackson Campus/Academic and Technical Center just off I-220 at Sunset Drive is known for offering state of the art technical training. Programs in Business and Office, Paralegal, Hotel and Restaurant Management, Travel and Tourism, Culinary Arts, Computer Servicing, Telecommunications, General, Mechanical, and Architectural Drafting, Geographic Information Systems, and Child Development are offered at this Center. Graduates of the two-year technical programs are awarded an Associate of Applied Science Degree, and completers of the one-year technical programs received a Technical Certificate.

The Alexander Academic Building at this location puts the academic courses you need at your fingertips. You can take academic classes to transfer to senior colleges and universities in English, Math, Science, Psychology, sociology, History, Computers, and more! All science classes utilize fully equipped labs. Computer classes are "hands on," utilizing the latest computer hardware and software.

The Bookstore, Library, and Media Center, Counseling Student Services Center, and Job Placement and Financial Aid Advisors are some of the services provided students. Eight student organizations including Phi Theta Kappa Scholastic Society keep students actively involved in campus activities.

# Utica Campus

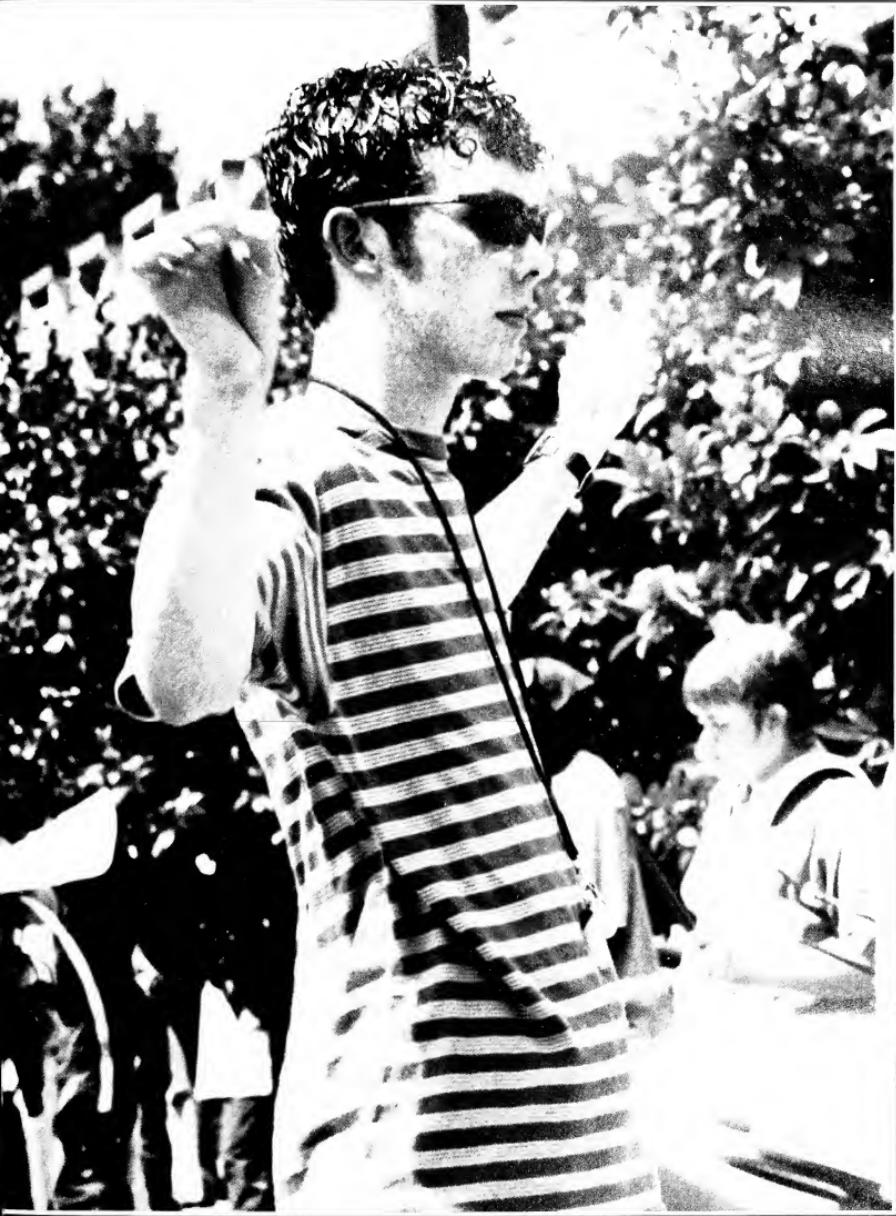

The Utica Campus of Hinds is located in Utica, Mississippi and consists of students in college courses in both academics and vocational-technical areas.

The campus publishes a student newspaper and yearbook which serves its students.

# People

Under the leadership of Dr. Clyde Muse, who became president of Hinds Community College in 1978, Hinds has grown into one of the state's largest educational institutions with six locations and over 14,000 students.

As an alumnus of East Central Community College, Dr. Muse's own educational roots run deep in the Mississippi Community College system. His progress, traced through his degrees from Delta State University and Mississippi State University, and his years as an educator and administrator in the state's public schools, to his being named Hinds president, he can be seen as an inspiration to all community college students.

Muse is not only an example of what young people of today can hope to achieve, but he understands their educational needs and aspirations. As HCC president he works diligently to open every possible avenue for students to expand their opportunities and possibilities.

In addition to his day-to-day administrative duties, Muse also serves as liaison with the state legislature and the HCC Board of Trustees on behalf of the College. He also works closely with the HCC Development Foundation which was chartered early in his presidency and provides many scholarships for deserving students, a host of cultural enrichment activities for the college and surrounding communities, as well as development opportunities for faculty and staff. Muse currently is involved with the Campaign for Hinds, which seeks, in addition to maintaining the leadership which the College has achieved in many areas, to replace Cain Hall, the landmark Raymond Campus building which burned in March, 1998.

The charm and enthusiasm with which Muse and his wife Vashti sponsor, support, and lend their presence — whether to official College functions or to student activities — gives the institution a human face, bringing the College into closer contact with the community it is committed to serve.

A leader in many professional and civic organizations, Muse has received numerous honors for his achievements. He is the 1993 Alumnus of the Year for the Mississippi State University School of Education, and the 1993 3-E Award recipient at Hinds. Other honors include Alumnus of the Year at East Central Community College, the Mississippi Association of School Administrator's Golden Lamp Award, the 1994 National Association of Developmental Educators Award for Outstanding Support to Development Education by a College Administrator.

While the College presidency is a 24-hour-a-day job, Muse finds relaxation in a daily early-morning walk, playing golf, gardening, and spending time with his family. He and Vashti have three children and seven grandchildren.

## Dr. Clyde Muse President

Dr. Clyde Muse presents diplomas to graduating students.

Mrs. Vashti Muse, Dr. Clyde Muse and grandson Jeremy Cole welcome guests to the Christmas Open House.

Dr. Muse accepts a check from Student Government officers from a fund raiser for Cain Hall.

# Editors' Message

Well another year has been completed at Hinds and for many of us we will be moving on to senior colleges across the state and the opportunity of new adventures and new friends.

However, the times we have shared at Hinds will always be a part of us. It provided us the opportunity to become an individual and not have to depend on our parents. We had to learn to make ourselves adjust and make ourselves get up and go to class and take care of our own needs.

We have enjoyed working on this yearbook and hope that it will always bring back great memories for each of you. We have worked, played and cried together at times but there will always be this book to remind us of the great relationships that were formed and the friendships that will last a lifetime.

We want to thank our photographers, Brian, John, and Scott for their tireless hours that went into this yearbook. We also want to thank Michael for his dedication to helping us layout sections and meet our deadlines.

We wish the best to each of you in the future and remember "Live for the Moment."
